

BUG-uri

1. **[Homepage Cărturești]: The button for search (magnifying glass icon) does not initiate a search**

Preconditions: The user is on the Carturești homepage on web browser Google Chrome.

Steps to reproduce:

1. Locate the search bar on the homepage.
2. Enter the search keyword "Baiatul cu pijamale in dungi" into the search bar
3. Click on the search button (magnifying glass icon)

Actual results: The search button (magnifying glass icon) does not initiate a search.

Expected results: The application processes the search request and redirects the user to the search results page.

Severity – Normal

2. **[Pop-up window cart]: The quantity field for the product is not editable in the pop-up window cart.**

Preconditions: -The user is on the Carturești homepage on web browser Google Chrome.

- The user has added the product to the cart.

-The product is marked as "In Stoc."

Steps to reproduce:

1. Open the cart pop-up by clicking the cart icon.
2. Locate the quantity field for the product.
3. Change the quantity (e.g.: from 1 to 3).

Actual results: The quantity field for the product is visible but is not editable in the pop-up window cart.

Expected Result: The quantity is updated.

Severity – Normal

3. [Pop-up window registration]: Missing "Confirm Password" field in the registration form

Preconditions:

Steps to reproduce:

1. Open a browser and navigate to <https://carturesti.ro/>.
2. Click on the "Login" button in the upper right corner.
3. Click on "UTILIZATOR NOU".
4. Check for the presence of the following input fields:
 - Email field
 - Password field
 - Confirm Password field ("Re-enter Password" or "Confirm Password")

Actual results: The "Confirm Password" field is missing.

Expected Result: : All three fields should be visible: Email, Password, and Confirm Password.

Severity – Major
